WHO WE ARE

Elliott Jets, the aircraft sales division of Elliott Aviation, has eight decades of proven success brokering, acquiring and selling aircraft all over the world. Customers know they can rely on us to provide world-class service with their needs as our priority. Our reputation has made us the trusted partner to chief pilots, executives and aircraft owners. There are few aircraft sales and acquisition businesses in the world that offer you decades of excellence, integrity and passion for customer service. The Elliott Jets team consists of sales executives, acquisition experts, market research specialists, marketing professionals, contracts and administrative support.

ACQUISITION SERVICES

Aircraft Acquisitions is a major function of Elliott Jets. We are unique as we are involved in the process every day by investing in turbine aircraft to be owned and resold by Elliott Jets. We are experts at finding the best aircraft, at the best price, and representing you every step along the way. We carefully analyze your situation to acquire the aircraft that best suits your needs based on knowledge of trends, market expertise and industry resources. Whether you need an accredited appraisal, pre-purchase inspection or unrivaled technical expertise, we have a veteran team to assist. Feel confident when hiring Elliott Jets to find your next aircraft or fleet to provide the best outcome for your aviation needs. Our goal is to ensure your peace of mind throughout the entire acquisition process.

BROKERAGE SERVICES

Your aircraft is a huge investment. When it's time to put it on the market you want a quick resolution at the right price. Our team of industry veterans will help you get you a fair price and help you find a buyer – fast. We're committed to providing you with a quick response and the highest level of customer service in the industry. We will set a price for your aircraft that accurately reflects the most up-to-date market conditions. We'll sell your aircraft at the best possible price, in the least amount of time. We handle your transaction from start to finish, sparing you the hassles of selling your own aircraft. Our experienced technical staff conducts an in-depth aircraft evaluation, so you're ready for the sale. Using the latest technologies, our proven processes and exclusive marketing network, we promote your aircraft and attract qualified buyers. At sale time, we negotiate terms on your behalf and prepare all documents, so your transaction will go smoothly. Our promise is an exceptional experience.

ELLIOTT AVIATION

Elliott Jets' parent company, Elliott Aviation, is a leading service business providing the industry's highest quality business aviation solutions with 400 skilled employees. An expert in both jets and turboprops from manufacturers including Textron (Beechcraft & Cessna), Embraer, Bombardier and more, customers from around the world fly to Elliott Aviation for all of their aviation needs.

At our one-stop-shop facility in Moline, IL, Elliott Aviation provides FAA and EASA certified aircraft maintenance with nearly 60 factory-trained technicians. In addition to maintenance, we offer one of the largest avionics facilities in the world to assist you with even the most complicated avionics retrofits and enhancements. For total aircraft transformation, our paint and interior teams of nearly 60 craftsmen can assist you with creating a flawless presentation of your aircraft inside and out. Our facilities and equipment create an ideal environment for superior aircraft refurbishment including a climate controlled, downdraft paint facility. To round out our one-stop-shop, we also feature aircraft parts and accessories to keep downtime and costs to a minimum. Our company also offers Wyvern-rated flight charter with a perfect safety record and aircraft management services.

In addition to our headquarters, we also have two other Midwest locations in Minneapolis, MN and Des Moines, IA, giving you easy access from any US location. With state-of-the-art facilities and equipment, proven processes, and highly-trained, experienced technicians, we deliver world-class quality and service customized to you and your aircraft needs. With all of these resources just a phone call away, customers of Elliott Jets can rest assured they have the most collective body of aviation resources dedicated to creating a successful aircraft transaction each and every time.
