

Elliott Aviation Launches Citation XL/XLS Program

Excellence Program Offering Package Pricing on Citation XL/XLS

MOLINE, IL — February xx, 2024 – Elliott Aviation, a leading provider of aviation services, is launching the Citation XL/XLS Excellence Program. This bundle offers a customized interior upgrade with options, state-of-the-art paint refurbishment, avionics upgrade to the Garmin G5000 suite as well as scheduled maintenance.

“We saw an increase of customers, within the XL/XLS platform, requesting a full aircraft refresh looking to bring updated technology to the cockpit and revolutionizing the exterior and interior. This brought an opportunity to offer a compressive package to the market. The highlights of this bundle include guaranteed downtime, preferred labor rates on maintenance, as well as paint, interior and avionics warranties,” said Michael Parrish, Senior Vice President Sales at Elliott Aviation. Parrish continued, “Our design team and technicians are industry leading with their experience on this airframe. As a leading service provider to the Citation XL/XLS, we are excited to offer a one-stop shop for a full upgrade and bring the Excellence Elliott Aviation is known for to your aircraft.”
