SALES TEAM

Steve Davis, Executive Sales Director (The “TBM Guy”)
515.865.2790, sdavis@elliottjets.com

Steve is based with Elliott Jets in Des Moines, Iowa. He joined Elliott in November 2005 and is an Elliott Jets specialist in charge of New and Pre-owned Daher/Socata TBM Turbo Prop Aircraft. His resume includes: 50 years of sales and marketing experience, has held positions as Avionics Regional Sales Manager, National Sales Manager, and Director of Sales and Marketing, as well as a small business owner and multiple aircraft owner. He is a CFII-MEII-IGI Instructor/Commercial pilot with 20,000+ hours total time and 3,500+ hours in TBM aircraft as a Pilot and instructor. Steve is an IADA Certified Broker and, with his heavy focus on the TBM market, is very much a TBM expert in every way and very active with the TBM owner community.

SERVICES

Brokerage

Our dedicated Brokerage team is committed to helping you sell your aircraft quickly, confidently and for the best possible list price. From start to finish, we make the process simple and straightforward by managing every aspect of your transaction—including up-to-date market assessments, legal documentation, omni-channel marketing, technical evaluations, pre-purchase inspections and more.

Acquisition

Our expert Acquisition team is unmatched within the industry for our ability to find, negotiate for and secure the best aircraft available. By understanding your needs, we leverage industry trends, market expertise and insider resources to acquire the right aircraft for your mission. And because we are an inventorying buyer, our team has outstanding relationships with manufacturers, banks, fleet operators and anyone else you need to get the job done right.
